

# Pressure Seal

Pressure Seal is replacing many envelope mailing systems. This is a unique process that creates the information document and outgoing mailer on one laser compatible or continuous sheet. Our stock program provides your customer with the widest variety of fold and glue patterns in the industry.

## Applications

- Payroll checks
- W-2's
- Jury summons
- Subscription notice
- Tax statements
- Grade reports
- Back order cards
- Benefits summary
- Claim checks
- Policy changes
- Invoices
- Fund raising
- Reservation confirmation
- Check in folio
- Renewals
- Monthly billing
- Shut off notice
- Pledge agreement
- Surveys
- Product promotion
- Refunds
- Expiration notice
- License renewal
- Gift certificates
- Direct deposit
- Return proof label

## Features

- Printed up to 8 color
- Window die cutting/glassine patch
- Custom glue patterns for unique applications
- May be combined with integrated labels/cards or magnets
- Folds: C, Z, V, un-even C and Z, double parallel

## Markets

- Schools
- Insurance
- Business-to-business
- Direct mail
- Education
- Hospitality
- Newspapers/Magazines
- Utilities
- Collection agencies
- Banking/Financial
- Non-profit groups
- Medical
- Government
- Advertising/Marketing
- Home services
- Gaming
- Publishing
- Manufacturing
- Clinics
- Retirement
- Retail
- Fund Raiser/Campaign
- Mailing service
- Clubs
- Associations
- Travel agencies
- Service industries

## Benefits

- Can be combined with other technology such as Integrated Cards, labels, magnets and DriTac™ cards
- Multiple security features available
- Eliminates the need for a separate envelope
- Reduced equipment cost, reduced maintenance and reduced operator training
- Eliminates labor cost of folding, stuffing and sealing
- As more people transfer to non-impact printers, requests for one-part self mailers is on the increase
